

## The Commercial Broker Focused on Marketing. Reports are handled by AI.

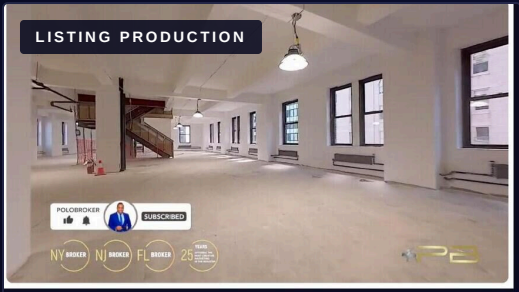

Traditional brokers pitch reports. **Marketing brokers generate the transactions that end up in them.** 25+ years closing deals across the most active commercial markets on the East Coast — backed by cinematic media, drone production, and a 133K+ followers content creator.

<p><b>25+</b> YEARS EXPERIENCE</p>	<p><b>3</b> STATES LICENSED</p>	<p><b>133K</b> DIRECT REACH</p>	<p><b>FAA</b> DRONE PILOT</p>
--	-------------------------------------	-------------------------------------	-----------------------------------

**THE AERIAL ADVANTAGE**  
**Cinematic, not snapshot.**  
FAA-certified drone work that reveals scale, site context, and development upside. Every listing gets the production treatment.

**DESIGNED TO SAVE YOUR TIME**  
**A media company that closes deals.**  
Property videos engineered for buyer conviction — full-flythrough interiors, on-screen deal terms, branded for distribution.
